Save Our Website

During the past 10 years we have relied on our class website, www.paris1969.com, to deliver information about classmates and as a valuable tool to organize our past three class reunions. To continue providing this service, your generous help is needed. We need to raise \$750 to maintain this site for the next 5 years without the distraction of commercial advertising. Donations will be accepted in any amount by credit card using the website or mail your check to class treasurer Lauren English, P.O. Box 1672, Pottsboro, TX 75076. You may also drop your donations in a collection jar tonight.
